## Introduction

This document contains information related to this update of Accounting Link v3.2.

### Getting Help

To get assistance with Accounting Link refer to the user guide included in the full installation package.

Issue ID	Title	Files to be Released	Solution
<b>MAS90</b>			<b>Subtotal: 1</b>
17031	4.2 MAS90 AP Detail module is not forming the text EXPORT correctly.	Modules\MAS90 4.2+ AP Detail\ Modules\MAS90 4.2+\	The scripts used by the AP Detail module now properly form GL posting data. A problem with blank GL export files was corrected in both 4.2 modules.
